

MICHAEL G. GONZAGA

✉ gonzagamichael110@gmail.com ☎ +639514949838 📍 Dasmarinas City, Cavite 4114, Philippines

📄 Summary

HR professional with nearly three years of experience in HR Shared Services and HR Operations, supporting employee lifecycle processes, employee data management, payroll, benefits, leave administration, and HR case management. Experienced in SAP HCM, employee records, HR documentation, and high-volume employee support. Also brings a technical background in information systems and web development, with experience in databases, reporting, workflow systems, and process improvement.

📁 Work Experience

Web Developer, Self-Employed

07/2022

July 2025 - Present

- Develop and maintain web-based business and administrative systems for clients.
- Gather requirements, coordinate with clients, and translate business workflows into functional system solutions.
- Develop systems involving employee/member records, document management, reporting, dashboards, ticketing, workflow tracking, and data management.
- Build and maintain databases using MySQL/MongoDB and develop applications using Laravel/PHP and MERN technologies.
- Manage projects independently from requirements gathering and development through testing, deployment, and client feedback.

HR Solutions Services Associate III, Conduent Inc.

11/2022 – 06/2025

November 2022 – June 2025

Pasay, Metro Manila

- Delivered HR Shared Services support across a broad range of employee lifecycle processes, including onboarding, offboarding, employee data management, payroll support, benefits administration, and leave administration.
- Processed employee hires, terminations, transfers, and employment data changes using SAP HCM and SuccessFactor Employee Central while ensuring data accuracy and confidentiality.
- Maintained employee records and HR documentation in compliance with company policies and data privacy standards.
- Resolved payroll-related inquiries, including payslips, P45, P60, tax documentation, and payroll discrepancies.
- Processed employment verification requests for visa applications, mortgage, tenancy, employment references, and security clearances.
- Managed HR cases through ticket management systems while meeting service-level agreements (SLAs).
- Trained and upskilled newly hired team members across HR processes, providing performance feedback and readiness recommendations to management for independent handling with minimal supervision.
- Served as the primary HR contact for external employees for over two years, consistently delivering high-quality employee service.

Benefit Administration Associate Solutions I, Conduent Inc.

09/2022 – 11/2022

September 2022 – November 2022

Pasay, Metro Manila

- Assisted employees with benefit enrollment, eligibility, and benefit-related inquiries.
- Processed benefits administration requests accurately and within established timelines.

- Delivered employee-focused support while ensuring compliance with company policies.

Service Crew, Jollibee

08/2022 – 09/2022

August 2022 – September 2022

Dasmarinas City, Cavite

- Delivered excellent customer service in both dining and cashier operations.
- Assisted with food preparation, order processing, and maintaining cleanliness standards.
- Worked efficiently in a fast-paced team environment.

Education

Bachelor of Science in Information System, Kolehiyo ng Lungsod ng Dasmarinas

09/2023 – 05/2026

Completed academic requirements through Third Year.

Dasmarinas City, Cavite

NCII in Graphic Design
